

"Helping others receive grace, purpose and direction by proclaiming Christ's love."

With Governor Ricketts announcement of easing coronavirus restrictions please watch for an email, on our Facebook page or our website for further details of when and how we will resume in person worship services.

Greetings where ever you are hunkered down! Supposedly this is the earliest spring since 1896. The vernal equinox happened on March 19th this year instead of the usual 20th or 21st. As I write this article, the forecast is for 2-4 inches of snow tonight with another 1-3 tomorrow. This week the temperature has not made it above 50, and so I sit in my office, waiting not only to venture out into public spaces. (oh we've made forays to grocery stores and the like, tried to support local restaurants getting take out and staying busy in the office yearning for warmer temperatures to get outside and do something!

So, we wait. Waiting for days to warm and pronouncements from experts that we can shed some of the restrictions the pandemic has forced upon us. Interesting immediately after the resurrection, the disciples were told to wait. So over the next forty days Jesus appeared to them, telling about the kingdom and preparing them for what lay ahead.

In our waiting for things to change, the question comes to us, "How has Jesus appeared to you? How have you seen Jesus in the midst of keeping your distance from loved ones, neighbors and strangers alike? I know one of the blessings we have witnessed, and we have already spoken of, is the number of people dropping off their offerings and pledges. We cannot express how humbling it is that people are making an effort to mail, drop by the office, start an online deduction or through some other means contribute to the financial needs of the Church. Thank you.

I know we are seeing God at work in the hands of several in the sewing of masks for the hospital and at this writing I believe there are nearly 500 done. The rest should be done when more elastic arrives. But more than this how do you see Jesus preparing you for life on the other side of the pandemic? We may have a ways to go some predictions speak of 2021. That will be a long time and I for one have lifted up prayer that keeping safe the time frame will be shorter.

So let us wait—wait for warmer weather to get out, out into our gardens and other outdoor activities and let us wait, opening ourselves to Jesus and the Spirit to clothe us for life.

Pastor Chris

HOSPITALIZED? PLEASE LET US KNOW

If you are hospitalized, please contact (or have a friend or family member contact) the church office and let us know so that we can visit and pray with you. Providing pastoral care is an important part of our ministry, however, we cannot visit if we don't know, so please don't hesitate to call or email the church office, so that we can be there for you. Thanks!

Pastors Sheryl and Chris

COUNCIL MINUTES SUMMARY

April 13, 2020

Board/Committee Reports:

Outreach –Did not meet in April, tentatively meeting on May 27th. Car window decals arrived this week. Pricing and project it will support will be decided at next meeting.

Elders — Christy is doing really well. Talked about reaching out to congregation during quarantine. Discussion of adding some financial duties for Christy to assist the Treasurer. Grant will put into writing what he does each month, then formalize what will be Christy's duties, with training happening after the Covid-19 quarantine is finished.

Trustees - The north Narthex bathroom is being worked on by Bill Huelle; Bill has also set up TV for those at the front of the church can see what is on the screen. Technology has been worked on, and worked on – see Worship report. Hired a person to mow the lawn for \$30/week, including trimming.

Worship & Music - The committee realized what was coming and decided to broadcast services, and make it perpetual. This is another way to reach out to the community. Numbers of people watching are up much higher than regular attendance. Nebraska Link worked very well with us. Routers were changed. Has taken some work to get sound and picture quality both working. Christy and her significant other, Wayne, have been greatly helpful. Right now still researching different cameras. Also need a new computer to work with this equipment. Funding is in place up to ~\$3K

Parish Education – There isn't much we can do for now. Treat bags were taken around to JAM kids on Good Friday. She plans the same for EPIC kids in the future. Thank you to Austin Martin, Sydney Hinze and Trea Hess for their participation in the Good Friday and Easter services

Financial Report: Grant Hinze gave quick summary of February and March. Numbers below are March numbers. TV purchased for \$512 in March will come out of Memorial Funds. Thankful for all the members who are still continuing to give.

Beginning Balance: \$1,373.19 Ending Balance: \$4,204.47

Pastor's /Staff Reports:

They survived Holy Week! The Covid-19 changes have seemed strange. Going online has been very bizarre and stressful. The technology aspect of things has been very challenging. Good attendance online for Wednesday nights and regular Sunday services.

Randomly calling individuals to catch up and check in with people, especially when changes in their lives are happening. Thinking about trying to do a Zoom coffee hour to touch base with anyone who can log on.

Old Business:

See office manager update above.

Covid-19 discussion for services. Felt we should be on the same page with CDC guidelines. We should at least go as long as school is out. Possibly May 24th. At the next meeting we may have more information.

New Business:

Dennis Gorr suggested a BBQ-less BBQ and let people donate the money they would have normally given.. Mary Jo Huelle moved that for 2020, we not have a physical BBQ but instead have a BBQ-less BBQ. 2nd by Neal Blomenkamp. Motion accepted. As usual, need to know what we are raising money for. Neal Blomenkamp moved to have proceeds from the BBQ 50% go to the church, to go into the Contingency Fund and 50% to Lakota Lutheran Center. 2nd by LaDonna Schmidt. Motion accepted.

Insurance questions addressed last month are moved to the May meeting.

Next Council Meeting: May 11, 2020

SAVE YOUR PANHANDLE CO-OP RECEIPTS

Don't forget to save your Co-Op receipts and drop them in the yellow box just outside Pastor Chris' office.

These receipts will go to benefit the Scottsbluff and Gering Backpack food program. Thanks!

Attention!!!! Calvary's 21st Annual BBQ will be BBQ-less!

Due to the uncertainty surrounding the Covid-19 Pandemic, the Church Council at its April meeting voted to make this year's event a BBQ-less BBQ. Watch your mail for an invitation to make a donation to our BBQ-less BBQ; the proceeds of which will be split 50/50 between the Lakota Lutheran Center and Calvary's Contingency Fund (fyi: the Contingency fund helps the church to cover unexpected expenses not covered by the budget or the cost of our insurance deductible should we need to file a claim). We will miss the fellowship and comradery of this year's BBQ but feel not holding the BBQ this year makes the most sense.

Virtual Fellowship Opportunities

Do you miss being able to get together with your friends and fellow members of Calvary?

Then join us on Zoom for either a Zoom Coffee Hour (Wednesdays from 2 to 2:30 p.m.) or a Zoom Happy Hour (6:30 to 7 p.m.)-you're choice! If you are interested, look for one of two emails from the church (if we have your email address) that says either Zoom Coffee Hour or Zoom Happy Hour and use the link provided in the email to join us. If you have never done Zoom before you may need to download some software or an app (depending on whether you are logging in on a computer or device). If we don't have your email address, you will need to contact the church office so that we can send you an invitation to join us. AND, if you need any help getting onto Zoom, please call Pastor Chris at 402/694-9182 and he would love to help you!

Following a please from the Panhandle Public Health district for volunteer sewers to help make masks for our area medical personnel, Calvary's Quilting Group took on the challenge of making 1000 cloth masks for Regional West Medical Center. At this time, our quilters and several other volunteers have made over 650 masks. Once they have met their goal of 1000 masks for RWMC, they

will be making masks for anyone in the congregation who might want one. If you are interested in helping make masks or would like a mask once they are available please call or email the church office. Thank you to everyone that have helped make masks, donated elastic or made cash donations.
