### HYMN OF THE WEEK

*God of Grace and  
God of Glory*

### WEEKLY MILESTONES

Take a moment to tell or think about a recent mountain high and/or valley low in your life.

### CARING CONVERSATIONS

Discuss in your home, small group, or use for personal reflections:

- Tell or think of a time that you needed the help of someone.
- What is it like to depend on the kindness of others when you need help?
- Jesus sends his disciples out into the world needing the kindness and hospitality of others. How is showing hospitality to others and receiving it ourselves the work of the church?

### DEVOTIONS

*Read:* Mark 6:1-13.

Jesus goes to his hometown and is astonished at the people's lack of trust and belief in him. Because of that, he was only able to use his power to heal a few sick people. The townspeople rejected his authority. Ironically, that same authority is given to his disciples and they are able to go out and do many great deeds of casting out demons and curing the sick. This passage makes at least three important points about discipleship: 1) followers of Jesus will experience the same rejection Jesus did, 2) Jesus' authority is enough to do great things in the reign of God, and 3) disciples go out defenseless, without needing extra provisions and depend on the hospitality and kindness of strangers. The third point is a difficult one for us today. We would rather be the host. However, Jesus calls us to receive the help and kindness of others, especially the stranger who welcomes us in and takes care of us. In our weakness, God's power is revealed. When have you been blessed by being the recipient of the hospitality of others, especially someone you don't know well?

*Pray:* **Dear God, in human frailty and need your power is made known. Bless us in our relationships with others that your love may be made known through Christ our Lord. Amen.**

### SERVICE

It is a valuable gift to host others in your home. However, it is also an important gift to the outreach of the church to accept the hospitality of others. When have you been a guest of another person's hospitality? Did you feel you were the recipient of God's love as you received the hospitality of others? Explain.

### RITUALS AND TRADITIONS

Psalms 123 is a psalm for people making a pilgrimage to the temple in Jerusalem. Identify sacred places in your own pilgrimage or faith journey on earth as a follower of Jesus. Maybe it is a place in your own home, congregation, or the home of a loved one. Talk or think about what you like to do in that sacred space, and give thanks for God's presence in your life. Conclude by praying: **God of glory and might, thank you for revealing yourself to us and for special places that make us feel especially close to you through Jesus Christ, your Son, our Lord. Amen.**
